SEND WAVE STEP BY STEP GUIDE SENDING MONEY INTO A CBA ACCOUNT USING SENDWAVE

Download the Sendwave application on to your phone through

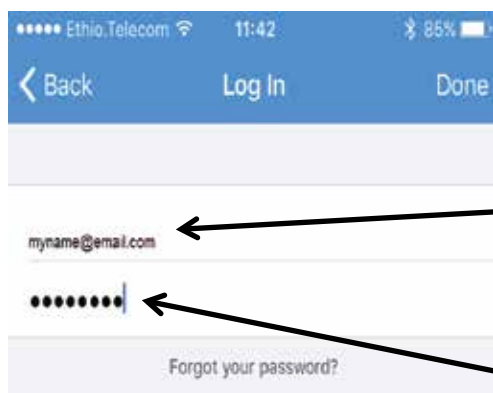

1. **Google Playstore:** <https://play.google.com/store/apps/details?id=com.mychime.waveremit.app&hl=en> or
2. **The Appstore.**

Once you have downloaded, proceed to register your details within the Application.

1. Once you have downloaded the application on to your phone, sign up using this straightforward menu

2. When you are ready to make a payment into your CBA account, Click on the 'Already have an account? Log In' Button

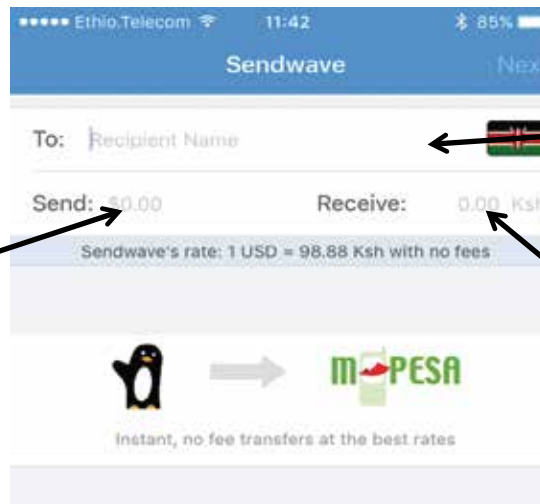

3. Enter the email that you used for registration

4. Enter your password.

5. Select the country you wish to send money to. Example Kenya

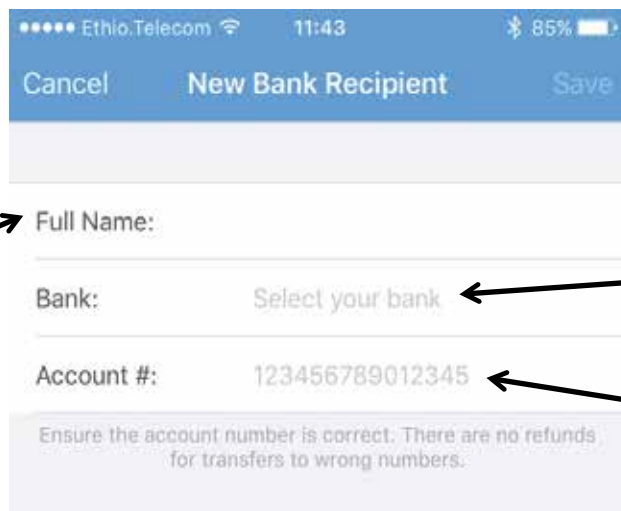

6. Enter the name of the CBA account you are paying money into

7. Enter the amount you want to send

8. You will see the amount to be sent converted into the amount to be received in Kenya shillings

9. Select New Bank Recipient

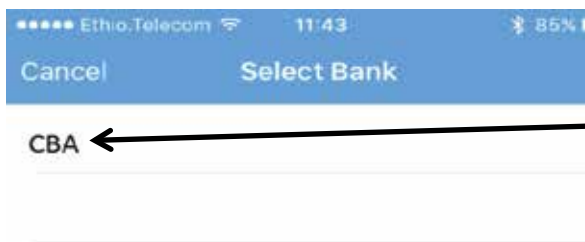

10. Enter the full name of the recipient

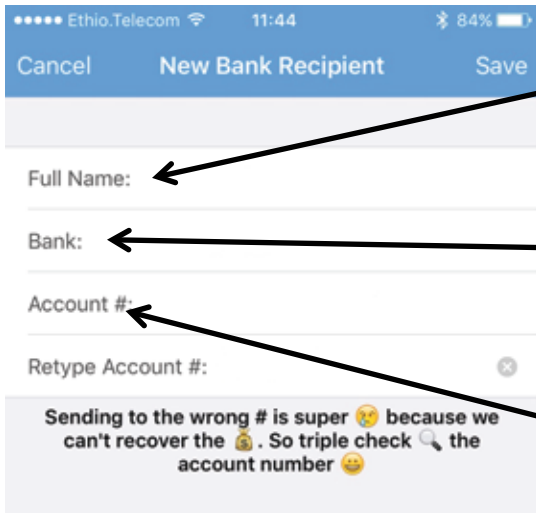

11. Enter CBA

12. Enter the account number of the CBA account

Step 7: select CBA

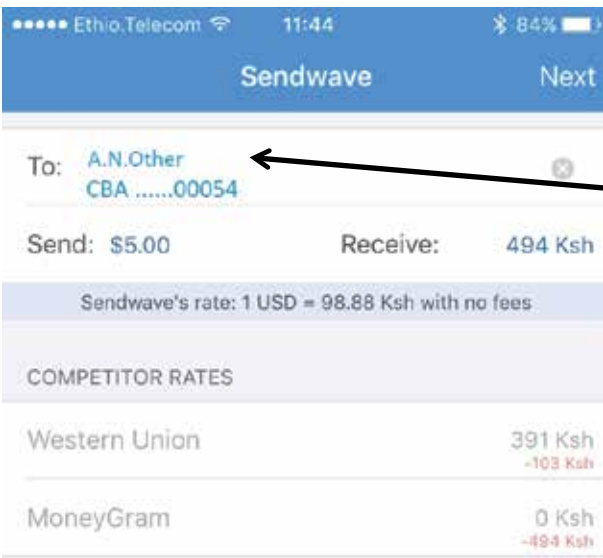

13. Select CBA

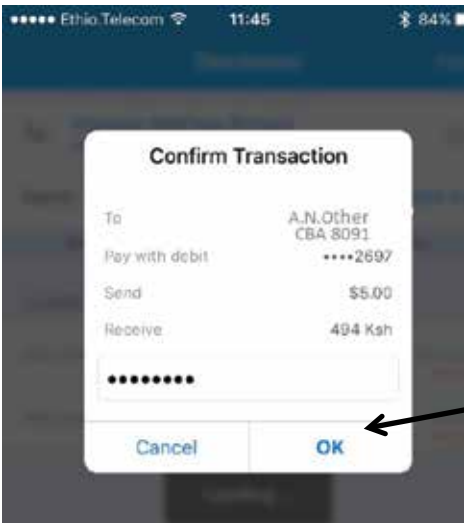

14. Enter "Commercial Bank Of Africa"

15. Enter full name of the CBA Account Holder

16. Enter the account number of the CBA account and retype the same account number

17. You shall then see a summary of the transaction details that you have input

18. Click ok to confirm the payment details.

19. The name of the recipient will appear as the transaction is being processed.
The Money will now reflect into the CBA account within 10 minutes.
