Documentation Requirements

- Original and Certified Copy of ID/Passport and PIN Certificate
- Two passport size color photographs (can be taken at the Branch)
- Place of residence – the specific details must be completed on the application form i.e. estate name/street name and house number
- Residential permit for foreign nationals
- Letter from Embassy or parent firm and immigration file number for non-residents
- For children's account – original birth certificate
- Residential permit for foreigners and Immigration file number (R. Number) for non-residents
- Letter from Embassy or parent firm (If non-resident)

Important note on PIN Requirement:

- In compliance with the Tax Procedures Act 2015, KRA PIN is required when “Opening accounts with financial institutions and investment banks.” The law does not expressly clarify whether this provision applies to both foreigners and citizens. We have received legal interpretation that the intention of the law covers both foreigners and citizens. Therefore, foreign nationals will be expected to also provide a PIN certificate.
- Customers can also provide the PIN number in the place of the PIN certificate. This will suffice provided that the same has been validated on KRA website (using the PIN Checker) and a copy of the validation report attached as part of the account opening documentations.

PRIVATE BANKING ACCOUNTS

At CBA, we have taken the time to create a banking service that gives our valued customers more time for things that really matter to them. We looked at the way banking used to be, a time when customers were known by name and not just by their account number, a time when customers felt valued, respected and welcome.

SAVINGS AND DEPOSIT ACCOUNTS

PROSAVER SAVINGS ACCOUNT

Whether you are looking to save up for a down payment on your home, your children's education, a family holiday or your retirement, it's important to make the most of your savings without putting them at risk.

Our Pro saver Savings Account allows you to grow your money while ensuring it is accessible to you whenever you need it. The account can be opened individually or jointly.

Features:

- Opening balance Kshs 10,000
- Minimum operating balance Kshs. 10,000
- Monthly service charge – Nil
- One withdrawal allowed per month otherwise interest is forfeited.
- Withdrawals are restricted to 'over the counter'.
- Any withdrawals leading to a balance below the specified minimum operating level will lead to transfer of such amounts to a non-interest bearing transactional account and / or onward closure of the said Savings Account.
- Access to personal overdraft and loans of up to 75% of savings account balance
- Mobile and internet banking – account viewing rights and intra account transfers
- Interest paid bi-annually i.e. end of June and end of December.

We will pay interest, on our local currency interest bearing Call and Fixed Deposit Accounts, at a minimum interest rate of 70% of the Central Bank Rate (CBR) as provided for in the law. CBR is advised from time to time by the Central Bank of Kenya (CBK)

CALL AND TERM DEPOSITS

Our CBA Deposit Accounts are designed to offer maximum return on investment. They offer flexible investment periods with interest that is paid upon maturity or at predetermined times of the year. We give you the choice of investing in both local and designated foreign currencies.

The Call Deposit Account is ideal for the saver who wants to earn high interest over a short term and still have funds to use as needed. With the Call Deposit you may invest for a minimum period of 7 days. The principal amount, plus interest, is paid upon maturity.

The Fixed Deposit Account offers a high-yield return and allows you to determine how long you want to invest. You may choose to invest for 1-12 months with the option to roll the account over after that time. With this option you get interest paid upon maturity

We will pay interest, on our local currency interest bearing Call and Fixed Deposit Accounts, at a minimum interest rate of 70% of the Central Bank Rate (CBR) as provided for in the law. CBR is advised from time to time by the Central Bank of Kenya (CBK)

How much do I need to start?

	Fixed Deposit	Call Deposit
Minimum Deposit	Kes 500,000.00	Kes 10,000,000
Minimum Tenor	1 Month	7 Days
Early Liquidation	Forfeit full interest	Forfeit full interest

An exciting benefit now available to you is that you will have access to personal overdrafts and / or loans of up to 90% of your Fixed Deposit. For cash secured lending please note that the said deposit will be placed in a non interest earning account.

OPENING AN ACCOUNT

WHAT WE NEED FROM YOU

You can open an account by visiting any of our branches and signing the Personal Banking Account opening form which authorizes us to open the account. You can also open the account online at <http://cbagroup.com/open-an-account-online/>

When you open a new account with us, we are required by law to ask you to prove who you are. This is to safeguard your money as well as comply with money laundering regulations and to help stop criminals using financial products or services to move money around. These security checks apply to both new and existing customers.

As well as fulfilling our legal responsibility, we aim to combat financial crime and protect you from criminals who might otherwise use your name without your knowledge.

PERSONAL ACCOUNT OPENING REQUIREMENTS:

Kindly follow the following links to view the requirements of the various accounts:

<https://onlineaccount.cbagroup.com/retail/>

<http://cbagroup.com/be-more/get-hooked-up/>

We reserve the right not to open the account in certain cases.

JOINT ACCOUNTS

You can open a joint Account with other people. If your Account is a Joint Account, the obligations of the signatories are joint and several. All signatories will sign an "Account Mandate" which governs how the Account is to be operated.

A joint Account can be closed in the same way that the joint account is operated, subject to our discretion. If you want to change the way the Account is operated, you must complete a new mandate authority which should be signed as per the existing mandate.

Before you open a joint Account, you should understand that:

- each of you is liable for the debts on the Account;
- if the Account is overdrawn each of you are liable to pay us the overdrawn amount;
- if any joint holder dies, we can treat the credit balance in the Account as owing to the rest of ;
- we can deposit to your joint Account any cheques payable to any one or more of the joint holders.

THE FOREIGN ACCOUNT TAX COMPLIANCE ACT (FATCA)

Effective 11th March 2015, we commenced the application of the revised on-boarding procedures for customers that have US indicators as per the provisions of the Foreign Account Tax Compliance Act (FATCA).

The Foreign Account Tax Compliance Act (FATCA) is an American law that was enacted in 2010 but only became effective from 1 July 2014. CBA having signed an agreement with the US Internal Revenue Authority (IRS) has undertaken to enforce the key provisions of the Act with regards to:

- Revising its on-boarding procedures for US Persons;
- Requesting for additional KYC documentation from both pre-existing and new US customers;
- Applying withholding 30% on specified US-sourced income for customers that do not comply with the Bank's additional KYC requirements; and
- Reporting of US accounts to the IRS on an annual basis.

ALLOWING OTHERS TO USE YOUR ACCOUNT

GENERAL

If you tell us in writing, we will allow another person to use your Account. If a personal account holder wants to authorize a third party to have signing powers on their account, they need to complete the power of Attorney (POA) Form. As the account holder, you are liable for all debts incurred by that person using your Account. Those debts include any overdrawn amounts and interest on those amounts.

WHAT CAN AN AUTHORISED PERSON DO?

If you authorize another person to use your Account, that person can do most things that you could do yourself. For example, they can:

- draw cheques on your Account;
- order cheque books;
- stop, or remove a stop on, cheques on your Account;
- overdraw your Account;
- order additional statements;
- be issued with an Account debit Card;
- receive payment of deposit money and interest;
- re-invest money in a Term Investment Account;
- get any information from us about your Account;
- authorize us to make payments from your Account;
- deal in foreign currencies;

The authorized person will not be able to:

- open new Accounts in your name;
- alter your details;
- authorize any other person to operate on the Account; or
- close the Account.

CANCELLING THE AUTHORITY

You can cancel the authority at any time. We will act on this request as soon as we are notified of the cancellation. You will, however, be liable for:

- any transactions made prior to the authority being cancelled, regardless of when the transactions are debited to the Account; and
- any future dated payments, cheques or authorities established by the person you authorized prior to the cancellation of the authority.

OVERDRAWING YOUR ACCOUNT

Usually, you can only use your Account if it is in credit. If we approve overdrawing of your account, we will charge you a fee calculated on the overdrawn daily balance plus a processing fee as advised at the time of request to overdraw the account.

You should:

- not draw funds against uncleared effects;
- not withdraw more than the available funds in your Account when no formal overdraft arrangements exist;
- ensure that you do not incur fees that will overdraw your Account when no formal overdraft arrangements exist; or
- not overdraw your Account beyond the agreed overdraft limit when formal overdraft arrangements exist.

You cannot rely on us letting you overdraw your Account without prior arrangement. We are not required to honour cheques or other payments (e.g. standing orders or direct debits) where the value exceeds the balance of your Account.

If you have overdrawn your Account without our prior written approval, including where cheques you have deposited are dishonoured or standing orders you have arranged with us are paid, you must repay the overdrawn amount to us immediately the Account is overdrawn (or further overdrawn), unless we make an alternative arrangement with you.

We can charge you extra fees where your Account is overdrawn.

INTEREST RATES

In compliance with the Banking (Amendment) Act 2016, we will determine the applicable interest rates on Lending Accounts and Interest bearing accounts based on the Central Bank Rate (CBR).

As a result, the maximum interest rate for all local currency credit facilities will be 4% above the CBR. The bank will also pay a minimum interest rate of 70% of the prevailing CBR on local currency interest bearing deposits, as provided for in the law.

INTEREST THAT WE PAY TO YOU

If you have money in your Interest Bearing Account, you may earn interest. Details of interest rates that apply to your Account are:

- printed on your Account statement (if applicable);
- set out in our Personal Deposits - Interest Rates;
- available by contacting our Customer Contact Centre on +254 711 056444; and
- Available at any of our branches.

Interest paid will be net of Withholding tax currently at 15% p.a.

WHEN YOU STOP USING YOUR ACCOUNT

INACTIVE ACCOUNTS

If your Account becomes inactive, we may close your Account after issuing a 30 day notice to the last known address.

Your Account becomes inactive if:

- you do not make any deposits or withdrawals during a continuous 6 month period; and
- the balance of your Account is nil or in debit without any arrangements.

UNCLAIMED MONEY

If your Transaction Account or Savings Account has not been transacted on by way of a customer initiated deposit or a withdrawal for more than 5 years, we are required to treat the funds in your Account as “unclaimed money”. This means that we will be required to forward any credit balances to the Unclaimed Financial Assets Authority. We will also close your Transaction or Savings Account at that time.

We will attempt to contact you in writing prior to the account closure to inform you of the actions required to keep the account open, or alternatively allow you to discuss other account options that may be more suitable to your needs.

CLOSING ACCOUNTS

The Bank may at any time, upon notice to the Customer, terminate or vary its business relationship with the Customer and in particular but without prejudice to the generality of the foregoing, the Bank may cancel credits which it has granted and require the repayment of outstanding debts resulting therefrom within such time as the Bank may determine.

We can close an Account upon written request that is in credit; we will pay you the credit balance after allowing for accrued fees and charges, if any.

If we close your Account:

- all Cards will be cancelled; and
- you must immediately cancel any automatic payment authorities linked to your Account. Automatic payment authorities will continue until cancelled by you.
- Internet/Mobile banking facilities will be cancelled.

HOW WE CALCULATE YOUR CLOSING BALANCE IF YOUR ACCOUNT IS IN CREDIT

The credit balance of your Account is calculated as the current balance plus any deposit interest, less any accrued Account fees, debit interest and government charges applicable up to the closing date.

Any monthly or quarterly fees will apply even though the Account has been open for only part of the month or quarter.

WHAT YOU MUST DO WHEN YOU CLOSE YOUR ACCOUNT

To close your account, you must:

- tell us in writing;
- return all Cards on the Account (cut diagonally in half for your protection), including any additional Cards;
- return all unused cheque leaves;
- cancel all standing orders/direct debits or direct credit arrangements; and
- pay the total amount owing (if any).

PAYMENT SERVICES

Payment Services are available on our products, including transaction, investment and loan products as prescribed in the products terms and conditions

BRANCHES

At a branch you can:

- open an Account;
- check Account balances;
- get details of your transactions;
- order a statement;
- be issued with your Visa Debit Card;
- make withdrawals;
- transfer funds;
- apply for credit facilities
- deposit cash or cheques;
- sign up for Internet Banking;
- sign up for Mobile Banking;
- apply for a safe custody facility; and
- ask for information about products that may suit you.

ATMS

FEATURES AND BENEFITS

A Card or Credit Card can be used to access your Nominated Accounts at any ATM that accepts our Cards. You will find our ATMs outside many branches and at other convenient locations. Using a Card and PIN you can:

- withdraw cash;
- deposit cash (notes only) in some ATMs
- transfer money between linked Accounts; and
- check Account balances

RISKS

You should ensure that other people do not observe you keying in your PIN. Once your PIN is known by another person, they can make unauthorized transactions on your Account(s).

In some circumstances you will be liable for those transactions. Money is at your risk as soon as it becomes visible or available at an ATM.

SOME RULES ABOUT ATMS

You can also access your Accounts using the ATMs of most other financial institutions. While you may not be able to perform every type of transaction at these ATMs, you can check your Account balance and withdraw cash.

When using one of our ATMs, the minimum cash withdrawal in any transaction is Kshs. 500 (subject to the necessary note denominations available).

The maximum amount of cash you can get through ATMs on any one day is a total of Kshs. 40,000 per Card or Credit Card (your daily cash limit).

When another financial institution's ATM is used, the maximum and minimum withdrawal amounts are determined according to the relevant institution and you may incur an ATM Operator fee for each transaction. We are not responsible for any restrictions or conditions on the use of an ATM imposed by any other financial institution.

CHEQUES

FEATURES AND BENEFITS

Cheques allow you to make payments to other parties if you do not wish to pay by cash or electronic means. Cheque payments can only be made if your Account allows for cheque access.

Other important information

- What is a cheque?

A cheque is a written order to a financial institution to pay a sum of money on demand.

- Time taken for clearing a cheque

The usual time for clearance of a cheque is 2 Working Days. You should ask us for an estimate of the time it will take if you need to know.

Normally, you will not be able to withdraw the value of a cheque you deposit until the cheque is cleared, even though your Account may be credited with the proceeds of the cheque.

THIRD PARTY CHEQUE DEPOSITS

Cheques can only be deposited into the Account of the person or company named as the payee on the cheque.

HOW AND WHEN CAN A CHEQUE BE STOPPED?

You can stop payment of a cheque you have written by telling us before the cheque is paid by us. Speed is important. You can tell us initially by telephone or email. This will put a hold on your cheque for a short time until you give us written instructions. You can do this at any of our branches. You should identify the cheque clearly by giving the amount, number and date of the cheque and to whom it is payable.

REDUCING THE RISK OF UNAUTHORISED ALTERATION

When you write a cheque, you should take care to reduce the opportunity for forgery and fraud. You have a duty to fill out the cheque so as not to mislead us or make it easy for someone else to alter your cheque.

You should:

- not leave gaps between the words or figures;
- begin the amount in words as close as possible to the left-hand side;
- begin the amount in figures as close as possible to the currency sign;
- never write a cheque in pencil or ink that can be rubbed out;
- never sign a cheque before it is used or filled out; and
- always write the amount of the cheque in words as well as figures, because words are harder to alter without your authority.

CHEQUES UNPAID OR “DISHONOURED”

Your cheque could be returned unpaid or "dishonoured" in certain circumstances, such as where:

- there is not enough money in your Account to cover the cheque;
- there is some irregularity with your cheque. For example your cheque is unsigned; is more than 6 months old, is post-dated (i.e. bears a date that has not arrived); or has been materially altered (e.g. by a change of the amount originally stated in it) and you have not signed the alteration;
- you have instructed us to stop payment of your cheque;
- we have received notice of your mental incapacity, or of your death;
- we have stopped all transactions on your Account; or
- we have frozen your Account where required by law or court order.

If we dishonour your cheque, we will not pay the cheque and will charge you a fee. If a cheque you have deposited is dishonoured, we will tell you. We will reduce the balance of your Account by the amount of the cheque if we have already credited your Account with that amount. We will also charge you a fee.

BANKERS' CHEQUES

FEATURES AND BENEFITS

A "bankers' cheque" is a cheque that a bank draws on itself. Bank cheques are generally treated in the same way as ordinary cheques. Although many people regard bank cheques as cash, in certain circumstances the bank cheque might not be paid by the bank that issues it:

FORGED OR UNAUTHORISED BANK CHEQUES

If the signature of an officer of a bank is forged or placed on a bank cheque without the bank's authority, the bank is not legally liable to honour it.

BANK CHEQUE MATERIALLY ALTERED

A bank will dishonour a bank cheque which has been fraudulently and materially altered. A bank will cooperate with any holder of a cheque, or a person who is about to receive it, who wants to verify that the cheque is a valid bank cheque.

BANK CHEQUE REPORTED LOST OR STOLEN

Where a bank is told that a bank cheque is lost or stolen and is satisfied that this is the case, the bank will not honour it if it is presented for payment by a person who has no right to it. The bank can provide a replacement bank cheque for a fee.

POINT OF SALES (POS) SERVICES

FEATURES AND BENEFITS

You can use your Debit Card and PIN to pay for goods and services from many retail and service outlets.

RISKS

You should ensure that other people do not observe you keying on your PIN while using POS facilities. Once your PIN is known by any other person, they might be able to make Unauthorized Transactions on your Account. In some circumstances you will be liable for those transactions.

Merchants do not have to accept your Card. We have no control over the hours which a Merchant operates nor the hours during which the Merchant will accept your Card.

DIRECT DEBITS

FEATURES AND BENEFITS

A direct debit arrangement is an agreement between you and a merchant in which you preauthorize the merchant to bill your Card or Account at predetermined intervals (e.g. monthly or quarterly) or at intervals as agreed by you. The amount may differ or be the same for each transaction

SOME BENEFITS OF A DIRECT DEBIT ARRANGEMENT ARE:

- it ensures timely payments are made to the merchant;
- it saves you time as direct debits are processed automatically;

You should be aware however, if there are insufficient funds in your Account to cover the direct debit, you may be liable for both late payment fees charged by the merchant and additional bank fees will also apply.

You are encouraged to maintain a record of any direct debit arrangement you enter into with a merchant. To either change or cancel a direct debit arrangement you should contact the merchant at least 15 days prior to the next scheduled payment. Until you attempt to cancel the direct debit arrangement we must accept the merchants' transaction.

Should your Card number be changed (i.e. as a result of lost or stolen card) you must request the merchant to change the details of your existing direct debit arrangement otherwise direct debits may not be honoured by us or the merchant may stop providing the goods and/or services.

Should you elect to close your Account or your Account is closed by us, you should contact the merchant to revise your direct debit arrangement as the merchant may stop providing the goods and/or services.

STANDING ORDERS

FEATURES AND BENEFITS

You can arrange for us to transfer payments from your Account automatically, so that you do not have to remember to make the payments yourself. This service is particularly useful for making loan payments, either to us or to another financial institution.

Unlike direct debits, the person you are paying does not need to know your personal details, such as your Account number (unless the person you are paying is us).

You can instruct us at any time to cancel the service; however you must tell us at least one Bank Business Day before your next transfer order is due.

RISKS

We will attempt to make payments on the days you tell us to. However, we are not responsible for:

- failing to make a payment;
- making a late payment; or
- any other failure to follow your instructions.

If we do not make the payment, you are still responsible for making that payment. You must ensure that there are sufficient cleared funds in the Account when the payment is due. If there are not sufficient funds, the payment may not be made, and you may be charged a dishonour fee.

If you do not tell us of cancellation of a transfer order at least one Bank Business Day before the next payment date, we may make that payment regardless of your instruction not to do so.

STOPPING A STANDING ORDER

If you have set up a Standing order from your Account, and you want to stop a specific transfer, you will need to tell us in writing at least one Bank Business Day before that transfer order is due and tell us:

- the amount of the transfer;
- the payee;
- when the transfer is due; and
- your Account that the transfer is to be deducted from.

OTHER IMPORTANT INFORMATION

We can cancel your instruction for a transfer order at any time by telling you in writing. We will also stop transfers in other circumstances (for example, death or bankruptcy).

FOREIGN CURRENCY SALES AND PURCHASES

FEATURES AND BENEFITS

We can buy from you, or sell to you, foreign currency notes (subject to any restrictions imposed by the issuing countries). You can order foreign currency notes from any branch. Orders are subject to currency being available to us.

You may need to give us reasonable notice if you want to order foreign currency. Purchases are subject to certain currency and denomination restrictions.

RISKS

(I) EXCHANGE RATE RISK

Different exchange rates apply for buying and selling foreign currency. We calculate both sales and purchases on the rate applying at the time of the sale or purchase.

If you sell foreign currency to us, the exchange rate applying at the time we purchase the currency may be more or less favourable to you than the time at which you purchased the foreign currency. The sale of foreign currency by you may result in a loss to you.

If we sell foreign currency to you, the exchange rate applying at the time you buy the currency may be more or less favourable to you than the time at which you spend the foreign currency. This means that when you spend the foreign currency, it may be worth less to you.

Particular foreign currencies might not be available to purchase at the time you wish to do so.

FEES AND CHARGES

You can find details of fees and charges applicable to particular Payment Services in the Personal Banking Tariff Guide.

ELECTRONIC ACCESS METHODS

SOME RULES ABOUT YOUR CARD

These rules apply to all transactions involving the use of a Card and PIN.

YOUR CARD AND PIN

You will receive a Card in the branch 4 days after you open your Account. You are required to acknowledge receipt of the Card by signing an acknowledgement at the branch where the Card is issued.

A Card is valid only if it has been signed by you and is used during the validity period shown on the face of the Card. You must destroy any Card that is no longer valid by cutting it diagonally in half. For cards with chips, the chip should also be cut in two.

A PIN will be issued to you together with the card. A PIN is a 4 digit number.

At any time the PIN can be changed by going into your nearest CBA ATM. You should change your PIN if a record of the PIN has been lost or stolen. You should also report your card lost and/ or stolen to our Contact Centre.

USING YOUR CARD

You agree that we can debit your Account with all transactions performed using your Card

We may assign any date we consider appropriate to a debit or credit to your Account (except that, in the case of a debit, the date must not be earlier than the date on which the relevant transaction occurs).

When you perform a transaction at an ATM or POS terminal, you authorize us to act on the instructions entered into the terminal. When making purchases using POS you should ensure that the transaction amount is correct before you accept the transaction. By pressing the "OK" button you indicate your agreement that the transaction is correct.

When you are withdrawing cash at a branch you may be required to provide a second form of identification, such as a passport National ID before we process the withdrawal.

In addition, you may also obtain cash with your Visa Debit Card at any ATM

AT A MERCHANT

You can normally use your Card to obtain goods and services at Merchants (such as shops, restaurants and theatres) locally and in in most overseas countries, where the Card Scheme logo is displayed.

The fact that the Card Scheme logo is displayed at a Merchant's premises does not mean that we guarantee that all goods and services available there may be obtained by using the Card.

Visa promotional material displayed on any premises cannot be taken as a warranty by the financial institution, Merchant or any person carrying on business there that all goods and services available at those premises may be purchased with your Card.

We have no control over the hours a Merchant may be open for business. The hours during which a POS terminal will be available may therefore vary in accordance with the Merchant's opening hours.

ALL TRANSACTIONS

We are not responsible for goods or services obtained by using the Card, unless the law makes us liable. If you have a complaint or concern about goods or services purchased with your Card, you must resolve them directly with the Merchant.

You can access funds in your Account at any international ATM where the Card Scheme logo is displayed, by using your Visa Debit Card and PIN. To access funds from your Account at an overseas ATM, select the 'credit' button.

Transaction fees apply for the use of ATMs overseas. If the amount of the transaction is more than your available balance, the transaction may be rejected and no fees will be charged.

Some overseas ATM locations may impose a surcharge when you use their ATM to make a withdrawal. Surcharges will not appear as a separate item on the account statement, but will be included in the total transaction amount shown.

All overseas transactions will be converted into Kenya Shillings by Visa International in accordance with its rules. Transactions will either be converted directly from the currency in which the transaction was made to US dollars and then converted to Kenya Shillings dollars by Visa International.

TRANSACTION LIMITS ON CARDS

The maximum cash withdrawal does not apply when you make a withdrawal over the counter in a branch.

You will be advised of the maximum cash withdrawal limit when the Card is issued, and you will be advised of any subsequent changes we make to that limit.

VOUCHERS AND RECEIPTS

When you use your Card, the Merchant or financial institution or any other party you are using the Card with, is obliged to give you a receipt.

You must check the correct amount is entered on a POS terminal before you authorize the transaction. You must also check that the amount on any receipt received is correct.

You agree that the amount shown on any cash withdrawal receipt or transaction record is sufficient evidence of the cash price of the goods or services or the amount of the withdrawal to which that transaction record relates.

You should keep all transaction records given to you by Merchants and financial institutions, or issued by ATMS, to help you check statements.

THE CARD REMAINS OUR PROPERTY

The Card remains our property and you agree to return the Card to us on cancellation or at our request.

PROTECTING YOUR CARD AND PIN

To protect the Card you must:

- sign it as soon as you receive it;
- carry it with you whenever you can;
- regularly check that you still have it; and
- do not give the Card to anyone else, including a family member or friend.

When you select a PIN we suggest that you select a PIN that can be remembered without needing to record it. You must avoid using any number that could be linked to you by other persons such as your date of birth or any alphabetical Code which is a recognizable part of your name.

By selecting a PIN which can be linked to your date of birth or alphabetical Code, this can make it easier for other people to guess the Code and lead to fraudulent activity on your account. When you select a PIN, you should test it to ensure that it has been successfully established.

To protect your PIN, you should:

- try to memorize it;
- destroy any letter from us telling you the PIN;
- make sure that nobody watches you entering your PIN at a terminal;
- be ready to make a transaction when you approach a terminal; and
- make sure that you do not leave anything behind when you complete a transaction.

You must take special care if you decide to record a memory aid for a PIN. Any record of a PIN must be kept separate from the card unless it is well disguised.

For example, you must not keep the Card and undisguised PIN together:

- in a wallet, bag or briefcase even if in different compartments;
- in a car even if in different areas of the car;
- in an office or at home in the same room; or
- in any other situation where the card and PIN can be found together and used.

You must not write or indicate the PIN on your Card, even if it is disguised.

ADDITIONAL CARDHOLDERS

Each Additional Cardholder can also select their own PIN. You must ensure that each Additional Cardholder protects their Card and stores their PIN as safely as the account terms and conditions require you to protect and store yours.

WHAT TO DO IF YOU THINK THAT YOUR SECURITY HAS BEEN COMPROMISED

TELL US IMMEDIATELY

You must tell us immediately if the Card or a record of your Code is lost or stolen (including if the Card is captured by an ATM) or you suspect that Unauthorized Transactions have been made on your Nominated Account.

The best way to make a report is to call our Contact Centre on +254 711 056444

Alternatively, or if our telephone reporting service is unavailable, you should report the loss, theft or misuse at any CBA branch.

You will need to give us all relevant information so that we can suspend access to your Accounts using that Electronic Access Method. You must confirm in writing any notice given to us by telephone, which will help us to effectively deal with the report.

If you unreasonably delay in notifying us of the misuse, loss or theft, you may be liable for all of the actual losses that occur between when you became aware of (or should reasonably have become aware of) the misuse, loss or theft and when you actually notified us.
